WARNING CONCERNING COPYRIGHT NOTICE:

The copyright law of the US (Title 17, USC) governs the making of photocopies or other reproductions of copyrighted material. Under certain conditions specified in the law, libraries & archives are authorized to furnish a photocopy or other reproduction. One of the specified conditions is that the photocopy or reproduction is not to be "used for any purpose other than private study, scholarship, or research." If a user makes a request for, or later uses, a photocopy or reproduction for purposes in excess of "fair use" that user may be liable for copyright infringement. This institution reserves the right to reject a photocopy order, if, in its judgement, fulfillment of the order would involve violations of copyright law.
